KISINDA JOHNSON

INDEPENDENT SUPPORT WORKER

- I have been in the community service sector and disability sector for the past 5 years. I have worked in residential facilities, aged care facilities, supported independent living facilities, in-home support, community access, getaways, travel companion support as well as respite care.
- I value treating people with passion, care, dignity and respect while maintaining client centred approach as a core support.
- I have experience of working directly with clients of different needs and their families through NDIS services and assist with community access as well as reaching personal goals.
- I love getting outdoors to enjoy nature, travel, long drives, hiking, sight-seeing and soccer.

WORK EXPERIENCE

2019 - Current- Super Community Care, Melbourne, Victoria
